His Excellency,

I send/submit through email an instant and unprecedented letter petition dated 30.07.2022 of ten pages to/before you enclosing documentary evidences and informing the serious, unprecedented, sensational and highly alarming facts and circumstances of how inter alios concerned officials of PIL Supreme Court, Secretary General and concerned residential officials of Hon'ble Chief Justices of India has been corrupt and how they are conjointly and conspiratorially involving in larger criminal racket and being huge amount of pecuniary benefited (crores) committing unlawful acts desecrating the constitution of India and law of this land and unlawfully and unconstitutionally preventing law abiding serious victim/petitioner to enter into the process of judiciary systems and depriving of constitutional rights and remedies, and on the other hand, how they have made Hon'ble Courts as places of unlawful business centres called cash-for-unlawful and illegal favours and stoking/encouraging criminal offences and unlawfully protecting genuine monetary powerful criminals from the hand of the law and punishments from January 2019-present time **and** I humbly pray before your benign self to graciously, immediately & expeditiously apprise/present/submit/report the highly serious, unprecedented, shocking, sensational and alarming facts and letter petitions before **Hon'ble Chief Justice of India** for his kind attention and to graciously stand with me in all respects and protect the great constitution of our country from the clutches of unscrupulous and corrupt court officials and others under intimation to me only through email at [ruppaul12345@gmail.com](mailto:ruppaul12345@gmail.com).

Having received no information, on 04.08.2022 I send/submit through email an instant follow up petition informing above and I humbly pray before you to kindly provide information whether report (as per my letter petition dated 30.07.2022) has been sent/submitted to/before **Hon'ble Chief Justice of India** or not.

Having received no information, on 11.08.2022 I send/submit through email an instant follow up petition informing above and I humbly pray before you to kindly provide information whether report (as per my letter petition dated 30.07.2022) has been sent/submitted to/before **Hon'ble Chief Justice of India** or not.

On 18.08.2022 I telephone to your Secretary Office and I talk to Mr. Ranvir Singh regarding petitions. And he advises me to forward the petitions to [vpindia@nic.in](mailto:vpindia@nic.in) and contact the concerned Department. On the same day I forward the petitions to [vpindia@nic.in](mailto:vpindia@nic.in).

On 22.08.2022 I telephone at 01123016422 and I talk to concerned official regarding the petitions and its status. Concerned official informs me that the petitions have been placed/reached to you and the matter is under consideration and no action taken yet.

On 29.08.2022 I send/submit through email an instant informing above and I humbly pray before you to kindly provide information whether any action/direction has been taken/issued by you and whether a report (as per my letter petition dated 30.07.2022) has been sent/submitted to/before **Hon'ble Chief Justice of India** or not.

Thereafter on 07.09.2022 I telephone at 01123016422 and 01123017124 I talk to concerned officials regarding status of my letter petition, but officials could not supply the information sought for, and no information has been supplied to me through email till today at least to the knowledge of me.

In this regard I cannot comprehend after receiving a serious, unprecedented and instant letter petition dated 30.07.2022 and subsequent several letter petitions and telephone calls why I was not informed regarding action/direction taken/issued to my letter petition dated 30.07.2022 till date.

Be it mentioned that when you were Governor of West Bengal, you used to immediately open your mouth and used to take/issue immediate action/direction regarding any matter after knowing the facts and brought to your attention. But being Vice President of India and despite having received several petitions from me which disclose extremely serious facts and circumstances, no action/direction taken/issued so far at least to the knowledge of me.

Being Vice President of India you have full responsibility to protect constitution of India and law of this land and to protect people's constitutional rights and all kind of fundamental rights and to deliver justices.

However, on the above, I would request you to kindly provide information whether petitions have been placed before you and whether any action/direction has been taken/issued by you and whether a report (as per my letter petition dated 30.07.2022) has been sent/submitted to/before **Hon'ble Chief Justice of India** or not.

Sincerely Yours,
